

NonlinearSystemsSolver

```
graph BT; NewtonSystem --> NonlinearSystemsSolver
```

A diagram showing the relationship between two classes. A box at the top contains the text 'NonlinearSystemsSolver'. A box at the bottom contains the text 'NewtonSystem'. A vertical arrow points from the top of the 'NewtonSystem' box to the bottom of the 'NonlinearSystemsSolver' box, indicating that 'NewtonSystem' is a component or sub-part of 'NonlinearSystemsSolver'.
